LUNCH & SNACK OPTIONS

- There are little restaurants within walking distance. Do your research ahead.
- Concessions will be open at the venue. Prepare for long lines.
- Pack a lunch and snacks, and we'll have coolers in the cars should you wish to go that route. These items cannot be brought into the venue.

The sole purpose of "Going Beyond Live"

- To see Him.
- To experience Him.
- To be revived by Him.

If you've felt empty and undone lately, prepare to meet Him here. Only He can satisfy the depths of your soul.

So, I hope you come hungry because He's preparing this table for you.
