Safe Church Plan Compliance

1. It is very important to understand that we must have 2 people on deck at all times.
2. Each person that volunteers to work with children must have a background check. If your place of employment has completed one, you may provide a copy for our records. If you have not had one, please see Kelly. Background Check forms are located under "DOWNLOADS" on the church website.
3. Make sure that you read the Safe Church Plan guidelines carefully (attached).
4. First Aid kit is located outside the church office door.
5. Text Kelly 609-412-9268 or Michael 484-769-4980 if there is an emergency.

NURSERY GUIDELINES

As Per Safe Church Policy

- ♥ Only Nursery Caregivers and their assistants are to be in the nursery with the children for safety reasons.

- ♥ All Nursery Caregivers have been screened in accordance with the Safe Church Plan.

- ♥ All parents or guardians must complete a check-in sheet for their infant, toddler, or preschool child. This is to be completed once a year and updated as needed to ensure that their child is receiving the best possible care.

- ♥ Diapers vs. Potty Trained

If your child is potty trained, the caregiver will assist child, but will do so with one foot in and one foot out of the open-door frame of the restroom. The child will not be visible to anyone within the room.

If a child is still in diapers, the parent or guardian will have to designate whether they want the care giver to change the diaper in an open-door restroom changing station or if they prefer to be contacted to change the diaper.

HELPFUL HINTS FOR NURSERY

1. The nursery is for Infants – Preschool.
 2. There is bottled water and animal cookies available for a small snack. Small cups and napkins are on the cabinet behind the door.
 3. Remember that the children are to remain in the nursery. There are other ministries that are taking place in the fellowship area.
 4. Everyone helps in cleaning up at 10:55AM.
 5. Gather the kiddos on the floor for a story time.
- There is also a binder with fun ways to talk about Jesus with these little ones.

BEFORE LEAVING:

#1 – Turn toy boxes toward the wall

#2 – Tie up trash bag from restroom
